

Since Friday, September 13, 2019 is an Open Day, we are offering the following opportunities for our people.

Designated practice times for Amateur and Youth Exhibitors who are showing weanlings and yearlings. You do not need to sign up, just come to the holding area and we will accommodate everyone who is present. These horses will track in and set up as if they are actually showing. Trainers will be allowed to coach from the rail – unlike the actual show where verbal professional coaching is not allowed. Remember this is a practice – show attire and horse show prep are not necessary.
